Grief and Bereavement Support at Sutter Care at Home

Sutter Care at Home's hospice grief support programs are open to the public and provide support for adults, young adults, teens and children who have experienced a loss. The groups are funded by community donations and are offered at no fee. Donations are gratefully accepted.

Offsite School Supportive Services

Sutter Care at Home's Children's Bereavement Program has collaborated with several schools in the greater Yuba-Sutter area to offer our services at various school locations. At our school site locations, children connect with others who are going through the same challenges they've encountered, and have the opportunity to support each other at their school location to enhance coping skills around grief and loss while working on art projects together.

For school locations, information about this group or other support groups, please call Sutter Care at Home at (530) 749-3460 or visit www.suttercareathome.org/griefsupport/yubacity.
